

HEALTH AND SAFETY RISK ASSESSMENT INFORMATION

Our Commitment

Warner Village Theme Parks (Sea World, Warner Bros. Movie World, Wet'n'Wild Water World, Australian Outback Spectacular and Paradise Country) are committed to ensuring a safe environment for all persons, where they can enjoy the entertaining and educational facilities of world-class theme parks.

Specifically, Warner Village Theme Parks will:

- Minimise hazards within the workplace in order to prevent accidents from occurring
- Set responsible standards of safety for all persons to follow at all times
- Develop safety awareness throughout the company

All employees have received information and training in accordance with the Warner Village Theme Park Occupational Health and Safety and Environmental Plan, which fulfils all legislative requirements of the Workplace Health and Safety Act and Regulations and the Environmental Protection Act.

All rides, activities, facilities and work practices are subject to a process of hazard identification and risk management. However, educational and school tour visitors also have an obligation to avoid injury to them and others while at the Warner Village Theme Parks.

Please work with us to create a positive and safe experience at Warner Village Theme Parks.

Your Obligation

As a visitor and guest, educational and school tour visitors must:

- Obey all safety instructions given by their guide
